

Room Information

CHECK-IN/OUT - Check-in time from 2pm & check-out time by 11am.

LATE CHECKOUT – Late checkout is sometimes possible, please enquire the evening before you depart so we can make arrangements. There is a charge for this service dependent on the time you check out.

BREAKFAST – Breakfast is served in the old skittle alley between 7.30am & 9.30am Monday to Friday & between 8.30am and 9.30am at the weekends. Please let a member of staff know at what time you intend to come for breakfast and we will assume the time will remain the same throughout your stay.

LOCAL INFO – We do have lots of local information in the pub detailing places to go and things to do. This includes the wealth of knowledge of (nearly!) all our staff, who have spent most of their lives in this area. Please do pick their brains!

WI-FI – There is one wireless network covering the pub & the guest rooms.

DOGS - Dogs are very welcome both in the pub and in the rooms. However, there is a £10 per night surcharge and please don't allow dogs on the beds. In the evening, we also try to limit dogs to the bar area so please do let us know if you intend to dine with a dog.

PARKING – Car parking is provided free of charge in the adjacent Half Moon Inn car park. At the bottom of the car park there are 6 spaces reserved for B&B guests only. As this is a pay-and-display car park, you will need to ensure that you give us your car registration number upon check-in to avoid charges/penalties.
